

MADRID Y ANDALUCIA

OCTOBER 22ND - 31ST 2020

Spain is a land of vivid contrasts. Timeless, sun-baked landscapes surround its vibrant cities, and traditional rural communities continue unchanged beside the bustle of modern-day urban life. The country's proud history and architectural legacy embrace Phoenicians, Greeks, Romans, Moors, and the Catholic Kings of Spain's "Golden Age." This autumn, join *Discover Europe* for a journey into the heart and soul of Southern Spain - *Andalucia!*

We begin in Madrid, the capital, and then head south to Toledo, Cordoba and Granada. The ethereal beauty of the Alhambra, the gorgeous gardens of the Generalife, and the old city known as the Albaicin, make Granada one of the most historic cities in Europe. We continue to Seville, across Andalusia, through wonderfully romantic white-washed villages.

Teeming with passion, elegance, and beauty, Seville has mild winters and about 3,000 hours of sun each year. We'll embark on an exploration of this brilliant city that includes a visit to the Royal Residence, the Real Alcázar, with its lavish rooms and spectacular gardens.

This Autumn, join us for an unforgettable journey across the centuries of Spanish history and come bask in the sunshine of *Al Andalus!*
