

VIENNA- MIT SCHLAG?

THE JEWEL IN THE HAPSBURG CROWN APRIL 28TH - MAY 6TH 2023

As scintillating and sparkling as a jewel in a Hapsburg crown, the magnificent city of Vienna brings you deep into the heart of old-world Eastern European elegance.

The cosmopolitan Austrian capital will beguile and enchant with its beautiful architecture, which comes to full expression at Schönbrunn Palace, the exquisite summer residence of the Hapsburgs. Touring the city, we explore the remarkable capital of the Austro-Hungarian empire, an empire that literally spanned the globe. The proud historical legacy of the Hapsburg dynasty is embodied in the grand buildings and fabulous museums of Vienna.

We'll also enjoy a couple of day trips outside the city – along the Danube, and into the Vienna Woods – and attend performances by the Vienna Boys' Choir and the Lipizzaner Stallions of the world-famous Spanish Riding School. But perhaps a highlight for many will be attending a performance at the Vienna State Opera House.

Vienna was also the city that introduced coffee to the rest of Europe and you will have plenty of opportunities to sample the fabulous coffee concoctions and delicious pastries at the many sidewalk coffee houses around the city – and everything can come with whipped cream, or *mit schlag*, as they will ask you.

(B) OVERNIGHT: VIENNA

MONDAY, MAY 1ST - A full day excursion out of the city today takes us through the UNESCO-listed Wachau Valley. Heading west out of the city along the Danube river, we enter the Wachau Valley at the ancient city of Krems, where the Krems river meets the Danube. We stop and have lunch at Durnstein Castle (now a fabulous hotel) on the terrace overlooking the river. After lunch we'll board a river boat for a short ride (1 ½ hours) on the Danube to Melk, where we will visit the Benedictine Abbey that dominates the town. From here we'll return to the city by bus, passing through the vineyards and forests of the region. The evening is free in the city. **(B, L) OVERNIGHT: VIENNA**

TUESDAY, MAY 2ND - A free day in Vienna to explore the gorgeous old capital. You may decide to visit the Hofburg Imperial Palace, built in 1279, which today houses the offices of the Austrian president, discover the Sigmund Freud Museum, housed in the building where Freud lived and worked for 50 years, or take in St. Stephens Cathedral, originally a Romanesque sanctuary and one of the greatest Gothic structures in Europe. Rich in culture (not to mention one of the world's largest wine-growing cities), Vienna oozes romance and invites long, leisurely walks. Be sure to stop at one of its famous coffeehouses for a curb-side view of the city passing by – kaffee mit schlag anyone? Early this evening we will gather again at the hotel before heading off to a performance at the Vienna State Opera. **(B) OVERNIGHT: VIENNA**

HEILIGENKREUZ ABBEY

WEDNESDAY, MAY 3RD - Our excursion today takes us southwest of the city and into the Vienna Woods. We'll stop first at Mayerling which is the site of the hunting lodge where Crown Prince Rudolf of Austria and his lover, Baroness Mary Vetsera, died in a murder-suicide pact in 1889, scandalizing the society of the time. From here we'll visit the oldest continuously occupied Cistercian Monastery in the world, the nearby Abbey of Heiligenkreuz, founded in 1133. Our final stop for the day is the Seegrotte in nearby Hinterbrühl. The Seegrotte is the largest subterranean lake in Europe, created in 1912 when the Gypsum mine flooded. We'll take a boat ride on the lake before returning to our hotel in Vienna. Dinner is included at a local restaurant this evening. **(B, D) OVERNIGHT: VIENNA**
